

Chambers & Partners UK Bar Guide 2018

We are delighted to announce that 4 Pump Court have been highly ranked in this year's Chambers and Partners UK Bar Guide, including as a band 1 set for Information Technology and Professional Negligence: Technology & Construction.

We received special praise for our client service, being characterised as “the best in the London market, standing head and shoulders above any other set.”

4 Pump Court have also been recognised as a leading set in the following practice areas:

- Commercial Dispute Resolution
- Construction
- Energy & Natural Resources
- Insurance
- International Arbitration
- Professional Negligence
- Property Damage
- Shipping & Commodities

In addition, 38 individual Members of Chambers were ranked across 15 practice areas.
