

Global Disputes Forecast with DLA Piper

[Lord Garnier QC](#) will be joining DLA Piper on 22nd February for a panel discussion of predictions for disputes and regulatory work in Europe and beyond in 2021.

Topics to be discussed include:

- What role does technology have in the transformation of disputes?
- Post-Brexit, what does the future hold for the public sector in the UK and Europe?
- Does the EU's Collective Redress Directive signal US-style class actions in the EU and what areas are likely to be litigation hotspots?
- Considering heightened anti-trust and privacy enforcement and follow-on litigation, what is ahead for tech companies in 2021?
