

ICC YAF: Experience a Virtual Hearing in Person

On 23rd February, [Andrew Stevens](#) will be joining the ICC's Young Arbitrators Forum for an interactive workshop based around a virtual hearing followed by "speed-dating" group discussions with practitioners across the world.

Experienced arbitrators, counsel and technical experts will present a mock virtual hearing for the floor, followed by more interactive group discussions in which attendees will discuss hot topics of international commercial arbitrations.

Andrew will be joined by lawyers from [WilmerHale](#) and [Allbright Law Offices](#). The virtual hearing will be facilitated by the [International Arbitration Centre](#) in London.

View the event programme and sign up on the ICC's website.
